

**ADDENDUM # 1
February 3, 2018**

**BERGEN COMMUNITY COLLEGE
400 PARAMUS ROAD
PARAMUS, NEW JERSEY 07652
FIRE ALARM SYSTEMS MAINTENANCE AND REPAIRS
PUBLIC BID NO. P-2265**

Addendum No. 1 generally notifies bidders of the following items:

1. Section 1.3 of Section F (Technical Specifications Project Manual) has been changed. The qualification for "International Municipal Signal Association fire alarm certified" has been removed from the bid.
2. The Bid opening has been changed to Wednesday, February 14th at 11:30 AM local time in the same location.
3. We have had some questions submitted by companies who have registered for this bid. Below you will find the questions and the college's responds to those questions.

Q.1. Can we get a break down of how many devices there are per a building and what kind? And are we able to get copies of the most recent reports for the fire alarm, FM200 and sprinkler for each building?

A.1. We do not have the breakdown on how many devices or the specific type based on the manufactured date of the device throughout the campus and all of the different buildings. The square footage for each building is as follows:

- Pitkin Education Center 619,000 Ft²
- West Hall 60,001 Ft²
- Technology 56,571 Ft²
- Ender Hall 66,032 Ft²
- Health Professions 65,525 Ft²
- Scoskie Hall 4,861 Ft²
- Vet Tech 4,109 Ft²

Q.2. Are we able to get copies of the most recent reports for the fire alarm, FM200 and sprinkler for each building?

A.2. Copies of the Fire Prevention Inspection reports are maintained in Building and Grounds office by the Director of the department. Arrangements can be made during the hours of 8:00a.m. through 3:00pm Monday through Friday to review the reports on site at the College. Please contact Sam John, Acting Director of Physical Plant at (201) 447-7868.
