

# Business Women's Networking Breakfast

Serving Women in Business  
**Tuesday, September 14, 2010**  
**9:15am - 11:00am**

## CREATIVE SOCIAL NETWORKING

In this presentation, Beverly Margolies will share her personal growth with Social Networks so you can learn how to get these tools to work for you.

- Create an online image that matches your personal and professional goals.
- LinkedIn and VisualCV - professional profiles and connections
- Reconnecting with long-lost colleagues, friends, family.
- Facebook - sharing, preserving family history, photos, videos
- Twitter - Getting your message heard with Blogging and Tweets
- Gain a following and understand why people are following you.
- Getting all these tools to work for you, in harmony.

Bring your business cards and marketing materials to place on the networking table
